**To Debtors:** This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The debtor(s) request that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor(s) state that the value of the secured claim should be as set out in the column headed Amount of secured claim. For secured claims of governmental units, unless otherwise ordered by the court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed Amount of secured claim will retain the lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or  
 (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.
